The Pope's intention for July 2026:

For respect for and the protection of human life, in all its stages, and that it be recognized as a gift from God.

The **Evie Hone window in Kilmilkin Church** has deteriorated significantly and as a result we have been advised to have it attended to immediately. This window is of National Heritage importance. It has now been removed and could take a considerable amount of time to have it restored.

We are also in the process of sourcing funding as it is estimated to cost close to €20,000 to carry out the work.
