Maam Women's Group would like to thank everyone who attended their exhibition and Presidential visit on July 4th. It was a great day with over 130 people in attendance. The Group would like to thank President Connolly for attending and being so warm and generous to all those who came. They also would like to thank all those who helped in any way. Photos of the day are now available to view on Facebook on Feile an Mháma page.

50 Years of Knock Basilica – A date for your diary

We invite you to a special gathering to celebrate the 50th anniversary of Knock Basilica on Saturday, 18th July. Join us for a day of nostalgia, memories and thanksgiving. The day will begin at 11.00am and will include the screening of a new short film, interviews with Tommy Marren, Midwest Radio, and 'behind the scenes' guided tours of the Basilica. A special Mass of Thanksgiving will take place at 3.00pm. All are welcome. Full programme available on www.knockshrine.ie.

The **Evie Hone window in Kilmilkin Church** has deteriorated significantly and as a result we have been advised to have it attended to immediately. This window is of National Heritage importance. It has now been removed and could take a considerable amount of time to have it restored. We are also in the process of sourcing funding as it is estimated to cost close to €20,000 to carry out the work.

The Pope's intention for July 2026:

For respect for and the protection of human life, in all its stages, and that it be recognized as a gift from God.
