The **Evie Hone window in Kilmilkin Church** has deteriorated
significantly and as a result we have been advised to have it
attended to immediately. This window is of National Heritage
importance. It has now been removed and could take a
considerable amount of time to have it restored.
We are also in the process of sourcing funding as it is
estimated to cost close to €20,000 to carry out the work.

The Pope's intention for July 2026:

For respect for and the protection of human life,
in all its stages, and that it be recognized as a gift from God.
